Online Resources For Genealogy Research

FamilySearch.org – free resource to search for your ancestors, including a family tree builder (access to some census and immigration records)

Genealogy.com – resources to help you get started on your research; provides extensive library of online classes

FamilyTreeWebinars.com – free webinars ranging from beginner to advanced genealogy research topics

www.archives.gov – resources include a wide variety of military records

www.spl.org/online-resources/genealogy-resources -- Seattle Public Library genealogy resources, including the option to make an appointment with a Genealogy Librarian

FindAGrave.com – useful in cemeteries to locate a specific gravesite

Genealogy Museums To Visit (a few ideas, there are many more!)

Ellis Island Museum (New York)

National Nordic Museum (Seattle)

Museum of Family History (virtual, specializes in Eastern European and Jewish cultures)

Museum of Danish America (Elk Horn, Iowa)

Japanese Cultural Center (Hawaii)

EPIC Irish Emigration Museum (Dublin)

Genealogy or Heritage Based Travel Companies

Kensington Travel/AncestryProGenealogists – land and cruise based, travel with a professional genealogist. Virtual travel options.

Classic Journeys – send your DNA results, and they will curate a trip

LegacyTree – will create a customized travel plan

I'm Outta Here Travel

Creating a customized travel plan
including key heritage sites as well as cultural exploration
